CHASE'S
"HARD TIMES"
TRADE LIST

In-The-Red ISSUE NO. 2

Printed in Red ink on wrapping paper
and priced in keeping with conditions.

(This issue is in RED throughout. We missed
our guess last Fall when the cover only was
printed in red. Because of the prices we are
now forced to make, ALL RED is the proper
color scheme!)

CHASE NURSERY CO.
CHASE, ALABAMA

NOTE: This cover is of our regular KRAFT Box
Lining Paper. In 60 pound rolls; 30, 36
or 40 inches wide. At 4¼¢ per pound
f. o. b. Chase, it is the best buy we know of.

CHASE, ALABAMA,
March 4, 1933.

TO THE TRADE:

This List shows our available stock for immediate or later shipment. Some items are running low, and it would be well to get your order in with reasonable promptness.

TERMS: See our fall catalogue for Terms and Conditions of Sale. We allow 3% discount for cash with order. C. O. D. orders must be accompanied by $\frac{1}{4}$ cash.

In case you did not receive, or did not preserve our fall catalogue, a copy will be mailed on request. It contains descriptive matter and other information of value. It shows our complete line of nurserymen's supplies—labels, twine, pruning shears, knives, Ames spades, sphagnum moss, peat moss, etc. It should be on your desk where you can refer to it easily.

Regardless of the low prices herein, the grading is held strictly to our old-time standard.

Yours very truly,
CHASE NURSERY COMPANY.

Deciduous Shrubs

Tied in bundles of 10 except the 12-18 in. and smaller grades which are in 25's. Please make your order in these multiples.

REGARDLESS OF SIZE OR PRICE THE GRADE IS FULL STANDARD.

We are following so far as practical "Standardized Plant Names" in listing Shrubs. All stock well branched and strictly up to grade specified. For descriptions, ultimate height, etc., refer to our "In-The-Red" Issue of Our "HARD TIMES" Trade List. Copy will be sent on request.
